

The Department of Political Science and Public Administration, Andhra University & Mahatma Gandhi National Council of Rural Education (MGNCRE), Hyderabad are organizing Five day Faculty Development Programme on “Rural Immersion and Community Engagement” at Dept. of Political Science & Public Administration, Andhra University, Visakhapatnam. We have immense pleasure in inviting the Post Graduate and Graduate College Professionals, academia, to participate in this Workshop.

ABOUT THE UNIVERSITY

Andhra University is not just one of the oldest educational institutions in the country, but is also the first to be conceived as a residential and teaching-cum-affiliating University mainly devoted to Post Graduate teaching and Research. Andhra University was constituted in the year 1926 by the Madras Act of 1926. The 93 year old institution of fortunate to have Sir C.R. Reddy as its founder Vice-Chancellor as the steps taken by this visionary proved to be fruitful in the long run. Former President of India Dr. Sarvepalli Radhakrishnan was one of its Vice-chancellor who succeeds Dr. C.R. Reddy in 1931. The University has sprawling campus of 500 acres over 300 courses in Arts, Commerce & Management, Science & Technology, Engineering, Law, Pharmacy, and Education with an intake of more than 20,000 students. The University is accredited ‘A’ grade with 3.60 CGPA by NAAC. The University was rated with five star status by CAREER 360 magazine and 8th rank among all state Universities in India.

MAHATMA GANDHI NATIONAL COUNCIL OF RURAL EDUCATION (MGNCRE)

Mahatma Gandhi National Council of Rural Education under the Ministry of Human Resource Development, in Government of India established in the year 1995, strives to promote resilient rural India through Higher Education interventions. MGNCRE designs, develops and promotes curriculum inputs for higher education programmes offered by Universities and Autonomous Institutions in India. The higher educational streams of focus for MGNCRE include: Rural Studies, Rural Development, Rural Management, Social Work and Education. The main objective of MGNCRE is to study the rural society and rural economy through higher educational institutions in order to address the development needs and challenges through participatory mechanisms and appropriate technological responses basing on local resources.

ABOUT THE PROGRAMME

Education needs to focus on all-round development and it is best obtained through experience. Education is effective, when it is transacted through work and craft and not only through books.
