

**UNIVERSITY COLLEGE OF PHARMACEUTICAL SCIENCES  
ANDHRA UNIVERSITY, VISAKHAPATNAM**

**Grading system for M.Pharmacy Programme**

Appropriate letter grades are awarded in each theory and practical subject to only such candidates who have passed in the university examinations. Internal assessment marks and university examination marks put together will be taken into account for the letter grading system in each subject separately.

**All theory and practical courses carry equal weightage of four credit points each.**

A candidate registered for the university examination but fails to appear or fails to score the minimum required 40% marks in the university examination will get a grade 'F', indicating failure or grade of incompleteness.

A subject successfully completed cannot be repeated.

Final evaluation of each subject (theory and practical separately) will be carried out on a 10- point grading system corresponding to the marks obtained in that subject. Each subject letter grade is converted into a specific grade value associated with the letter grade as given below (Table).
