(September 14-15, 2013)

Organised by
Department of Civil Engineering, College of Engineering, Andhra University
(Autonomous & ISO 9001-2008 certified Institution)
Visakhapatnam – 530 003, Andhra Pradesh

INTRODUCTION
College of Engineering, Andhra University, established in the year 1955 with four departments has grown into 15 departments. The institute is popular worldover for its quality education, research and consultancy services. The institute has been top ranked among the university engineering colleges of Andhra Pradesh. The Institute has been awarded with National B-School awards given to best Government Engineering Colleges in India for the years 2011 and 2012 by STAR News and ABP News channels respectively. The Department of Civil Engineering is very active in disseminating technological knowledge and information among students, researchers and practicing engineers by way of organizing of Symposia, workshops, conferences, training programmes etc. The laboratory facilities and qualified faculty of the department make it an ideal place of learning of Civil Engineering.

ACCESS-13
Andhra University Creative Civil Engineering Students Symposium (ACCESS) is organized every year as part of Engineer’s day celebrations in commemoration of great Civil Engineer, Sir Mokshagundam Visvesvaraya. The symposium is aimed at bringing together budding engineers onto a common platform to exchange latest information in Civil Engineering field. The event gives an opportunity for the participants to exhibit their knowledge and skills in a competitive environment. The event has been planned with paper presentations and several technical activities. Each paper presentation session will be preceded with an Expert lecture by an eminent academician or a practicing engineer.

DATE AND VENUE
The symposium will be held on 14th, 15th September 2013. The activities of the symposium will be organized at Seminar Hall of Civil Engineering Department.
