Association of Indian Universities (AU) South Zone Vice-Chancellors Meet-2020

Association of Indian Universities, a prestigious body in the academic world, has announced the dates for its South Zone Vice-Chancellors Meet-2020. The event is scheduled to take place from January 29 to February 4, 2020, at a yet-to-be-announced location.

The meet is expected to bring together some of the leading universities from the South Zone, providing a platform for academic discussions and networking. It is an opportunity for universities to share their experiences and best practices in higher education.

The event will be attended by representatives from various universities across the South Zone, including Andhra University. The details of the venue and other important information will be released shortly by the organizing committee.

For more information, interested parties are encouraged to visit the official website of the Association of Indian Universities. The website will be updated with all the necessary details in due course.

Please stay tuned for further updates.
