"Prasad Reddy's services as VC are remarkable"

The services rendered by Prof. Prasad Reddy and AU VC over the last four years are remarkable. There is no record of AU VC providing such services to the university in the past. This has brought about a revolutionary change at AU. The state government's decision to appoint him as VC for the second time is commendable and is expected to propel the university even further. With the AU approaching its centenary celebration, effective leadership becomes crucial. Under the guidance of VC Prof. Prasad Reddy it is anticipated that the centenary will be a success, earning the university world-class recognition.

National level reputation with NAAC rank

Many dignitaries have served Andhra University. Prof. Prasad Reddy, who served as the VC of such a prestigious AU, achieved remarkable progress within a few years. Along with large-scale infrastructure development at AU, the future of students has been paved. I am proud to be a former professor at this university. It is commendable to achieve A++ rank of NAAC with 2nd place in the national level. Students were given good encouragement in the start-ups.

"Truthful Narratives: Upholding Integrity with VC Prof. P.V.G.D. Prasad Reddy"

It is a very good decision for the state government to appoint Prof. Prasad Reddy as VC once again.. In the past, the grounds of AU Engineering College used to be the venue for many anti-social activities. Such grounds are highly developed and made available to students. Apart from this, many development programs have been initiated in the last four years. The news written against the development of the university in some newspapers is incorrect. Unable to bear the development of AU, the yellow media is spreading misinformation.
