25 Sept 2023.

Dear Sir,

Indian Air Force has signed MoU with few universities for higher education of Air Force personnel and their families. On the same lines IAF has also signed on MoU with Centre for Defense studies of Andhra University for academic development and better resettlement of the defence personnel.

It is also to mention that several academic programs designed by Centre for Defence Studies of Andhra University for officers and airmen from certificate course & diploma to Ph.D has been proved to be of a great benefit for resettlement of ex-servicemen. In fact, I am honoured to be a visiting professor for Andhra University Psychology department and a Guide. Two officers are pursuing Ph.D under my guidance.

I would like to place on record the great efforts of Hon'ble Vice Chancellor Andhra University for providing a vast platform for officers & airmen to pursue higher studies. Also would like to appreciate the director, registrar and dean Academic Advisor for efficient coordination between IAF and Andhra University. Centre for Defence Studies of Andhra University has played a pivotal role in building up a strong pillar for defence personnel.

Warm regards

Yours Sincerely,

Rajni
(Dr RAJNI VERMA)
