PROFESSIONAL MILITARY EDUCATION

Sir,

Indian Armed Forces have signed several MoUs with Centre for Defence Studies of Andhra University for academic development of Air Force service participants, ex-servicemen and dependents.

In this regard, it is also pertinent to mention that several academic programs designed by Centre for Defence Studies of Andhra University for Officers and Jawans, from Certificate program to PhD, has proved to be very helpful for resettlement of ex-servicemen. Many serving officers are undergoing PhD in Andhra University in various disciplines and have joined in Executive category, through MoU, signed between Centre for Defence Studies and Armed Forces HQ.

The services rendered by Centre for Defence Studies, and especially by its Director and Academic Advisor, for smooth coordination between IAF and Andhra University is very noteworthy. I appreciate Andhra University for the unique role of Centre for Defence Studies in the area of Defence Education and Research. I wish great success to this unique Centre for the highly commendable performance in the field of Professional Military Education.

Yours sincerely,
