16-04-2022

To  
The Registrar  
Andhra University

### Notification

Applications are invited on a plain paper with complete Bio-data from the eligible Indian nationals for the vacancy in a DST sponsored major research project entitled "Design and Development of New Strategies for Functionalization of Remote C(Sp<sup>3</sup>)-H Bonds via Iminyl Radical-Trigged 1,5-Hydrogen-Atom Transfer (HAT) Cascade: An efficient access to Heterocyclic Compounds".

Junior Research Fellow	: 1
Fellowship amount	: ₹31,000 + HRA 16% for first two years and ₹35000+ HRA 16% for final year
Tenure of the project	: 3 years
Required qualifications	: M. Sc., Organic Chemistry with minimum 55% of marks or equivalent grade point and good academic record. NET/SET/GATE is preferable

Interested candidates who fulfil the above requirements may send their applications to Dr. V. Siddaiah, Associate Professor, Department of Organic Chemistry & FDW, Andhra University, Visakhapatnam-530 003. Soft copies may be mailed to [drsiddu@andhrauniversity.edu.in](mailto:drsiddu@andhrauniversity.edu.in)

The last date to receive the applications is April 28, 2022.

No TA /DA will be paid to the short-listed candidates for attending the interview.

This position is purely temporary and continuation in the project depends on the satisfactory performance of the candidate.
