

Andhra University

Andhra University was constituted in the year 1926. The 95-year-old institution is fortunate to have Sir C.R. Reddy as its founder Vice-Chancellor, as the steps taken by this visionary proved to be fruitful in the long run. Former President of India Dr. Sarvepalli Radha Krishnan was one of its Vice-Chancellors. Keeping in pace with the global needs and challenges under the leadership and guidance of successive Vice-chancellors, the University is offering several new courses of relevance and Contemporary significance.

The University Presently is Offering 313 Courses in Arts, Commerce, Management, Science & Technology, Engineering, Law, Pharmacy and Education. The University has well experienced and export faculty known world-wide for their research contributions. The alumni of the University occupy important positions in government administration, Industry and research organizations within and out-side the country.

About AUCE(A)

Andhra University College of Engineering (A) grew from strength to strength and at present it consists of 12 Engineering and 4 Basic Sciences departments, totaling to 16 departments, offering 18 Under-Graduate Engineering Day-time programmes and 4 UG Engineering part-time programmes; 28 Post-Graduate Engineering programmes, 1 MCA and 3 M.Sc programmes. All the departments are offering Ph.D. programmes in different fields of research.

Organizing committee

Chief Patron

Prof. P.V.G.D.Prasada Reddy
Hon'ble Vice-Chancellor
Andhra University, Visakhapatnam

Patron

Prof.P.Srinivasa Rao
Principal
A.U.College of Engineering (A)

Chairperson

Prof.G.V.Siva Krishna Rao
Head of the Department
Dept. of Electrical Engg., AUCE(A)

Coordinators

Dr.K.Padma
Dr.B.Amarendra Reddy
Assistant Professors
Dept. of Electrical Engg., AUCE(A)

Advisors

Prof.K.Vaisakh
Prof.P.Mallikarjuna Rao
Prof.K.Rama Sudha
Prof.T.R.Jyothsna
Prof.N.Prema Kumar
Prof.Ch.V.V.S.Bhaskara Reddy

AICTE Training And Learning(ATAL) Academy

Sponsored

One Week Online Faculty Development Programme (FDP)

on

“COMMUNITY SERVICE”

25th – 29th October 2021

Organized by
Department of Electrical Engineering
A. U. College of Engineering (A)
Andhra University
Visakhapatnam-530003, A.P.
India

About the Department

The electrical engineering department has well established Machines, Networks & Measurements, Power Electronics, Microprocessor & Microcontroller, Control system and Digital Electronics Laboratories. The teaching faculty of the department are involved in research activities in the areas of power system stability, soft computing techniques, Power electronic based converters & controllers, transmission & distribution systems, renewable energy systems, microgrid, smart grids and IoT.

Resource Persons

The program will be conducted by eminent speakers from industry and academia.

FDP Objectives

The FDP on “Community Service” aims to bring together Faculty, Students, Engineers, Researchers and Scientists to a single platform. This program provides strong strength, knowledge, expertise, long-term strategies, Networking, problem-solving skills and research ability and collaboration works. It also provides a prominent solution for researchers and educators to excel themselves in teaching, research and career aspects.

Topics to be Covered

This program consists of rigorous sessions which aim at the following theme outcomes

- Community Service Quality and Management
- Corporate Social Responsibility
- Resilient and Sustainable Society
- Community Service based Capacity Building
- Human Values and Ethics
- Institutional Innovative Practices towards Community Service
- Community Service in post Covid-19 era

Who can apply?

The faculty members from academic and research institutions, Research and PG Scholars, Participants from government and industry.

Important Information

- No registration fees.
- E-certificates will be issued only to participants who attend the programme with minimum 80% attendance and those who score minimum 60% marks in the online test conducted at the end of the FDP.

- The participants also have to provide online Feed-back on the last date.

The applicants are requested to get themselves registered through the following link:

<https://atalacademy.aicte-india.org/signup>

Important Dates

Last date for Registration: 15th Oct 2021

Intimation of Acceptance: 20th Oct 2021
