### About University :

Andhra University, set up in the coastal city of Visakhapatnam has been a source of knowledge and learning for the people of Andhra Pradesh since its establishment in 1926. The University presently offers 313 courses in Arts, Commerce, Management, Science & Technology, Engineering, Law, Pharmacy and Education. Andhra University College of Pharmaceutical Sciences has had its humble beginning as a part of Chemical Technology curriculum in 1937, the second such course to be offered in the country. Since its inception, it has been serving the nation and producing a technically skilled workforce for the Indian pharmaceutical industry. Apart from this, its illustrious and hallowed faculty have successfully moulded many generations of students as pharmacists, faculty, entrepreneurs and scientists all over the globe. It has a history of transforming many lives for the better and providing the sanctuary of knowledge for those so inclined.
