## 2.14 Significant Activities and contributions made by IQAC

The IQAC of Andhra University has chalked out the plan of action for the year 2013-14 in its advisory board meeting held on 18-11-2013. The following are the activities considered for implementation.

1. To inculcate interest in research among young faculty by providing financial support to undertake research projects.
2. To recognize meritorious contributions of faculty by means of Sarvepalli Radha Krishna awards and best researcher awards.
3. To facilitate the faculty and students to adopt modern methods of teaching and research.
4. To develop the soft skills and personalities of the students by organizing training programs.
5. To encourage students to participate in competitive exams by conducting special classes.
6. To inculcate research initiatives among students by organizing guest lectures by eminent personalities.
7. To extend financial support to meritorious students by implementing Earn While You Learn programme.
8. Strengthen the library facility by subscribing to the e-journals and providing internet browsing facility for the student in the library.

The University has adopted the following processes for internal quality checks:

- Evaluation of teachers by students at the end of every semester.
- Self appraisal reports submitted by teachers every year.

- Collecting feedback from all stake holders of the university namely, parents, alumni, retired teachers and employees.
- Organization of workshops at regular intervals on Quality Assurance and Management to sensitize the faculty.
- A meeting was held on 4-7-2013 with Principals, faculty chairmen's, Chairmen, board of Studies, Heads of the department, Dean Academic Affairs and NAAC Steering Committee Members which and discussed regarding the NAAC RAR self study preparation.
- A workshop on Standardization of QMS for good governance was conducted on 20-08-2013
- A seminar on Modern methods of teaching learning and research through ICT was conducted on 6-9-2013
- A workshop is conducted on Higher Education – Employability, Values and Ethics on 11<sup>th</sup> November, 2013.
- A seminar on Reforms in Higher Education was conducted on 3-2-2014

- A surveillance Audit is conducted on 15<sup>th</sup> and 16<sup>th</sup> May 2014 by external lead auditors from TUV-SUD South Asia. Andhra University was recertified with ISO 9001:2008 for year 2014-15

#### 2.15 Plan of Action by IQAC/Outcome

The plan of action chalked out by the IQAC in the beginning of the year towards quality enhancement and the outcome achieved by the end of the year \*

Plan of Action	Achievements
To conduct 4 workshops/seminars for faculty and students in quality enhancement, ethics, values and employability	Four workshops were conducted. In each nearly 150 faculty and 300 students participated. Eminent personalities have delivered the lectures.
To conduct 2 internal audits and one surveillance audit by external agency	2 internal audits were conducted by 25 trained internal auditors and submitted the audit reports. The consolidated audit reports for two audits were placed before management review meetings and corrective actions were taken. One surveillance audit by TUV-

	South ASIA is conducted. The ISO 9001:2008 recertification was received.
To collect feedback from students on 10 quality parameters related to curriculum, teaching, learning and evaluation processes.	The feedback from students in each department after completion of even and odd semester examination is collected and analyzed. The consolidated reports were sent to the departments for perusal of the teachers.
To collect the feedback from parents, retired employees and alumni.	The feedback from parents, retired employees and alumni in each department was collected on sample basis and analyzed. The consolidated reports were placed before management for effective implementation of the suggestions received from them.
To Collect self evaluation report from faculty and department evaluation report.	The Self evaluation reports from all faculties are collected and analyzed. The consolidated report is placed before the management and communicated back to the faculty. The department evaluation reports from each department is collected and analyzed.
To encourage meritorious faculty, employees and students through distribution of awards, prizes and certificates by University.	The Prof. Sarvepalli Radhakrishnan Best Academician Award was given to 6 faculty members. Another 6 Faculty members were awarded Best Researcher Awards. 3 faculty members were nominated for best teacher award given by the state government. The University has given best employees awards to the non-teaching staff. The meritorious students were given gold medals, prizes and cash awards in the convocation.
To conduct quality awareness campaigns in the affiliated colleges	The University has conducted periodic meeting with affiliated college managements, principals and faculty. Each college is advised to formulate IQAC cell in the college with a nodal officer.
To introduce and continue best quality initiatives	The University has introduced four new quality initiatives and continuing 36 existing quality initiatives effectively

2.15 Whether the AQAR was placed in statutory body Yes  No

Management  Syndicate  Any other body

Provide the details of the action taken

The IQAR was placed in MRM and AU Academic Senate meeting along with the Annual report and it was approved. The MRM and Academic Senate appreciated the activities done by IQAC.

#### 2.6 Innovative processes adopted by the institution in Teaching and Learning:

The Andhra University carries high reputation for its practices in teaching and learning process and in evaluation system. The following are the key factors contributing to the effectiveness of teaching-learning and evaluation.

1. Transparent process of admissions
2. Attracting meritorious students
3. The combination of students with different social and economic backgrounds (B.C., S.C., S.T., Minority and Differently abled), students from other countries and proportional representation of girl students.
4. Strictly adhering to rule of reservation in admission process
5. Well qualified and highly experienced teaching faculty
6. Differential approaches to support slow learners and advanced learners
7. Effective implementation of academic schedule and teaching plans
8. Focus on experiential learning and participative learning
9. Involving experts from industry and other research and academic institutions
10. Extensive use of ICT in teaching and learning beyond classrooms
11. Prevalence of student centric learning environment
12. Mentor and Mentee relationship
13. Continuous evaluation process and transparency in evaluation methods
14. Computerization of evaluation process
15. Grievance redressal mechanism for evaluation process
16. Evaluation by three examiners – one from within the state, one from outside the state and one from foreign country for Ph.D. theses evaluation
17. MoUs with Apnabox and Google apps to strengthen ICT applications in teaching-learning process
18. Focus on teacher development programs
19. Student participation in organizing academic programs
20. Student seminars, student events and contests, student participation in national level seminars and conferences and competitions to promote creative thinking and desired competencies.

2.7 Total No. of actual teaching days during this academic year : 187

2.8 Examination/ Evaluation Reforms initiated by the Institution (for example: Open Book Examination, Bar Coding, Double Valuation, Photocopy, Online Multiple Choice Questions)

Andhra University has adopted several examination reforms time to time to maintain quality of teaching and learning process. Andhra university has introduced two mid term examinations and one semester end examination. One mid term examinations are conducted by the concerned department and paper set by the internal teacher. The evaluation is done by the class teacher. The second mid term examination is done online. The question bank for paper is prepared by the

concerned department with not less than 100 questions and used for paper setting. The second mid examination results are published immediately after the examination. The semester end examinations are conducted by Controller of examinations of the University. The University has introduced choice based credit system and adopted grading system for all courses. The university already follows the best practices in evaluation such bar coding, online examinations, double valuation and photocopy.

2.9 No. of faculty members involved in curriculum restructuring/revision/syllabus development as member of Board of Study/Faculty/Curriculum Development workshop : 386

2.10 Average percentage of attendance of students : 87%

2.11 Course/Programme wise distribution of pass percentage :

2.12 How does IQAC Contribute/Monitor/Evaluate the Teaching & Learning processes :

The University established IQAC as per the guidelines of the NAAC to ensure sustenance and enhancement of quality in all its activities. The IQAC plays a vital role in the development of strategy and in the formulation of policies and procedures. The IQAC prepares academic calendar regarding teaching and learning processes. The IQAC formulated a quality management system for teaching and learning in the campus. The process includes the scheduling of orientation courses, bridge course, preparation of time tables with student seminars, preparation and submission of teaching plans, filling of activity diary, conduct of extra circular activities, guideline of student councillor, formation of learning teams. The IQAC also prepared a structured questionnaire for collecting the feedback from students. IQAC also collected self appraisals from faculty and department appraisals periodically. The periodic reports submitted by IQAC to the top management and the review meetings conducted periodically helped the organization significantly to monitor the progress and to initiate measures for quality enhancement. The IQAC conducts quality audit once in every six months in all academic and administrative departments. The records and work processes are standardized as per ISO norms. The external audit is done every year by the professional quality auditors. The feedback and the suggestions of all stakeholders are given due importance and placed in Management review meeting for proper approvals. The IQAC coordinates with the Planning, Monitoring and Evaluation Board of the University review the progress and performance of various functional divisions and develop plans for the future.

7.6 Any other relevant information the institution wishes to add. (for example SWOT Analysis)

The University has academic and planning bodies which meet regularly and review its activities and policies. The Vice-Chancellor convenes the meeting with all the Heads of the Departments; Dean, Academic Affairs and Chairpersons, PG Boards of Studies of the Departments and reviews the academic progress every quarter and invites suggestions for further improvement of the academic environment. In addition, many eminent educationists are invited to the campus, to spend two or three weeks as Visiting Professors and offer their suggestions for academic improvement. Honorary Visiting Professors are appointed and they spend some days in the University to interact with the students and faculty. Similarly, Ambassadors of various countries and Governors of other states are also invited to address the University community. Every year, the University conducts academic and administrative audit, to identify and rectify the defects, if any, in order to meet specific goals and objectives of the University.

Andhra University has conducted SWOT analysis in each department to identify its strength, weaknesses, opportunities and threats. Based on this analysis the University has prepared a vision document for the next 15 years. Similarly, the Principals and Deans were asked to meet quite often to prepare the academic schedule and also to improve the quality of research. Weekly meetings of the Principals and Deans are conducted where major decisions are taken. The entire University is networked and each departmental head has access to the information about the entire University.

University has introduced a few self-financing courses. The purpose is not only to make available to the clients newer courses of contemporary importance, but also to generate finances to the University. However, these courses cannot have a continuous patronage and will have to be reviewed periodically to be replaced by courses of contemporary importance. Besides, lectures are organized in each Department by the faculty from the Psychology Department. The students are exposed to yoga classes and encouraged to participate in sports and games. In addition, lectures by eminent educationists, Philanthropists, social workers and economists are arranged to inculcate value based education. Through NSS, students are encouraged to organize blood donation camps and participate in tree plantation and AIDS awareness campaign. In the Social Work Department, the child help line is introduced and the students are trained to help the children in crisis. Two audit courses on Values and ethics, NCC, NSS and sports with two credits are made compulsory for all students in the campus.
