YEARLY STATUS REPORT - 2021-2022

Part A	
Data of the Institution	
1.Name of the Institution	ANDHRA UNIVERSITY
• Name of the Head of the institution	Prof. PVGD Prasad Reddy
• Designation	Vice Chancellor
• Does the institution function from its own campus?	Yes
• Phone no./Alternate phone no.	08912844222
• Mobile no	9393112979
• Registered e-mail	vicechancellor@andhrauniversity.edu.in
• Alternate e-mail address	auregistrar@andhrauniversity.edu.in
• City/Town	Visakhapatnam
• State/UT	Andhra Pradesh
• Pin Code	530003
2.Institutional status	
• University	State
• Type of Institution	Co-education
• Location	Urban

• Name of the IQAC Co-ordinator/Director	**Prof. D. Lalitha Bhaskari**
• Phone no./Alternate phone no	**08912844818**
• Mobile	**9885438922**
• IQAC e-mail address	**auiqac2005@gmail.com**
• Alternate Email address	**iqac@andhrauniversity.edu.in**
3.Website address (Web link of the AQAR (Previous Academic Year)	https://www.andhrauniversity.edu.in/administration-wing/iqac.html
4.Whether Academic Calendar prepared during the year?	**Yes**
• if yes, whether it is uploaded in the Institutional website Web link:	https://www.andhrauniversity.edu.in/student-corner/academic-calendar.html

5.Accreditation Details

Cycle	Grade	CGPA	Year of Accreditation	Validity from	Validity to
Cycle 3	**A+**	**3.60**	**2016**	**18/02/2016**	**17/02/2023**
Cycle 2	**A**	**3.65**	**2008**	**18/09/2008**	**17/09/2014**
Cycle 1	**A**	**A**	**2002**	**21/10/2002**	**20/10/2008**

6.Date of Establishment of IQAC	**11/07/2005**

7.Provide the list of Special Status conferred by Central/ State Government- UGC/CSIR/DST/DBT/ICMR/TEQIP/World Bank/CPE of UGC etc.

Institution/ Department/Faculty	Scheme	Funding agency	Year of award with duration	Amount
Chemical Engineering	SERB	DST	2019-2022	35,31,264/-
Meteorology & Oceanography	WOS-A	DST	2019-2022	19,35,000/-
Inorganic & Analytical Chemistry	DAE	UGC	2021-2024	4,35,760/-
Pharmaceutical Sciences	WOS-A	DST	2018-2021	25,74,600/-
Inorganic & Analytical Chemistry	SERB	DST	2022-2025	30,08,764/-
Chemistry	SERB	DST	2022-2025	37,78,762
Applied Mathematics	SERB	DST	2022-2025	2,325,994
Meteorology & Oceanography	SERB	DST	2022-2025	3,212,240
Inorganic & Analytical Chemistry	SERB	DST	2020-23	49,06,240/-
Civil Engineering	FIST	DST	2019-2024	11,00,00,00/-
Instrumentation Technology	FIST	DST	2019-2024	8,000000/-
Meteorology & Oceanography	FIST	DST	2019-2024	10000000/-
Zoology	FIST	DST	2019-2024	3200000/-
Applied Mathamatics	FIST	DST	2019-2024	2700000/-
Mathematics	FIST	DST	2019-2024	2600000/-

Nuclear Physics	SERB	DST	3 years	500000/-
Inorganic & Analytical Chemistry	SERB	DST	3 years	1000000/-
Botany	DOS	DBT	3 years	1000000
PNCO	CARS	DRDO	2YEARS	2088828
HUMAN GENETICS	ICMR	ICMR	3 YEARS	882501
HUMAN GENTICS	ICMR	ICMR	3 YEARS	1314592
PHYSICS	CSIR	CSIR	3 YEARS	1400000
METEROLOGY & OCEANOGRAPHY	CSTEP	DST	3 YEARS	1022500
NSS	UNICEF	UNICEF	2 YEARS	1748000
Dr.BR Ambedkar Chair	Chair Professor	Dr. Ambedkar Foundation, Ministry of Social Justice and Empowerment, Govt . of India, New Delhi	5 years	7500000

8.Whether composition of IQAC as per latest NAAC guidelines	Yes	
• Upload latest notification of formation of IQAC	View File	
9.No. of IQAC meetings held during the year	26	
• The minutes of IQAC meeting and compliance to the decisions have been uploaded on the institutional website. (Please upload, minutes of meetings and action taken report)	Yes	

• (Please upload, minutes of meetings and action taken report)	View File

10.Whether IQAC received funding from any of the funding agency to support its activities during the year?	No
• If yes, mention the amount	00

11.Significant contributions made by IQAC during the current year (maximum five bullets)

1. Applied for NIRF, THE, QS Rankings, INDIA TODAY rankings Andhra University secured 36 Rank in UNIVERSITY CATEGORY and 77 RANK in OVERALL CATEGORY in NIRF 2022. In Impact Rankings by THE it stood in 600+ band. In Subject rankings in Computer Science Engineering it was ranked in 600-800 band.

2. Academic and administrative ISO audits were conducted during 2021-2022. IQAC was responsible for conducting Two internal audits of ISO 9001:2015 and one external surveillance audit by TUV SUD successfully for the year 2021-2022.

3. IQAC has made necessary steps for data collection for forth coming NAAC in 2023. Conducted Green, Energy audits for the University

4. Instrumental in collecting feedbacks from Students and instructing all the department HODs in collecting feedback on Curriculum etc.

5. IQAC was instrumental in organizing seminars for the staff on NEP 2020- Implementation of Quality initiatives" in coordination with APSCHE on November 5th 2022 for all its affiliated colleges and constituent colleges.

12.Plan of action chalked out by the IQAC in the beginning of the Academic year towards Quality Enhancement and the outcome achieved by the end of the Academic year

Plan of Action	Achievements/Outcomes
Preparation for NAAC 2023	The data collection and SSR preparation are in progress.
Green and Energy audits to be conducted for Andhra University	Conducted Green, Energy audits and certificates are obtained from the recognized bodies
Create awareness to the staff about IRINS initaitive by the Government of India and VIDWAN ids.	Majority of the staff have registered themselves in IRINS portal and VIDWAN ids were created. All the staff have uploaded their research publications
To secure a good rating for Andhra University in ARIIA rankings	With the Vision of Top Management , Andhra University has secured 4 star rating in ARIIA which is a note worthy achievement.
To participate in NIRF, THE, QS rankings for 2023	Andhra University is participating in the rankings a OVERALL
NEP 2020 implementation	Andhra University has formed a committee to review the progress of planning and implementation of NEP 2020. An Emeritus Professor was nominated as Co-convener and advisory for NEP 2020 committee. Meetings were scheduled and possible steps towards strengthening of Andhra University towards NEP2020 were discussed.
Registration of Andhra University in ABC portal	Registration was done and from 2023 students will be enrolled in ABC

13.Whether the AQAR was placed before statutory body?	Yes

- Name of the statutory body

Name	Date of meeting(s)
Executive Council	10/05/2022

14.Whether NAAC/or any other accredited body(s) visited IQAC or interacted with it to Assess the functioning?	Yes

15.Whether institutional data submitted to AISHE

Year	Date of Submission
2021	18/03/2022

16.Multidisciplinary / interdisciplinary

Andhra University(AU) being the seat of higher learning and one of the leader's in quality and academic initiatives has maintained innovation and research as its core strengths in designing and developing curriculum besides ensuring employability of the students. AU offers interdisciplinary/integrated academic programmes with adoption of CBCS/Electives/Specialization and also Certificate/Add-on/Value Added Courses. The student's have an option to choose from Intra-Faculty/Inter-Faculty options of Core/Elective and or Open Elective/Interdisciplinary Electives that are offered with credit transfer in modular form. AU has established the Research & Development Cell, Centre for Industrial & Scientific Consultancy Cell & Office of International Students Affairs to promote interdisciplinary teaching-learning & research.

The University has the credit of introducing a number of inter/multidisciplinary courses such as Molecular Genetics, Bio-Technology, Bio-Chemistry, Bio-Informatics, Geo-Informatics, Naval Architecture, Data analytics and Cyber security, Industrial Engineering, Geo-Physics, Marine Geology, Food, Nutrition & Dietetics, Bio-medical Engineering, Microbiology, Marine Bio-Technology, Instrumentation Electronics, Atmospheric and Space Sciences, Quantitative Economics. Another distinctive feature is that it is the first state university to start the two year MBA programme way back in 1957.

Andhra University has been at the forefront in several thrust areas like marine sciences, space physics, genetic engineering, cancer genetics, nuclear spectroscopy, nano- technology, remote sensing, EMI/EMC antennas, energy engineering, tribal health, entrepreneurship development, micro finance, health counseling, teacher education, family and social development. Interdepartmental

and interdisciplinary research projects are widely undertaken. It stands as an ample testimony for the academic zeal and enthusiasm to procure process, analyze and share the fruitful dividends of prolonged research output for the common benefit of the society at large.

Andhra Pradesh State Council for higher Education(APSCHE) has identified Andhra University as one of the top 5 Multidisciplinary Education Research University(MERU) during 2020-2021 in the state of A.P. In recent rankings by THE WEEK Hansa Research survey for 2022, Andhra University has secured 9th position in Multidisciplinary category at national level.

The University has developed research infrastructure in all departments and research centers with the support of funding agencies and industrial organizations. The majority of faculty members are engaged in Major Research Projects supported by National and International organizations. Some researchers got patents for their research output and many others have applied for patents. Commercialization of Portable Biosensor for Type 2 Diabetics developed by Dr. Aparanji, Dept. of Bio-Chemistry, AU as part of Technology License Agreement with M/SAkshaya Infotech Visakhapatnam has been fruitful due to the early efforts of the administration towards Multidisciplinary approach.

DST has identified Andhra University as one of the 14 performing Institutions in terms of research contributions. Centre for space Sciences & Technology Education (CSTE-AP) in Asia Pacific has recognized the University for Academic Standards and sponsored four M.Tech. programmes. This is the only University in India selected for this programme. Research programmes leading to M.Phil. and Ph.D. are offered in all disciplines. The key initiatives of the university to adopt an interdisciplinary, multidisciplinary approach includes identifying eligible and talented persons from Industry and academia outside AU and recognize them Research Guides through implementation of policy of Extamural category for Ph.D. Guidance. Recently AU TRANS DISCIPLINARY RESEARCHH HUB is established in 2020 to augument research and Multidisciplinary research in particular. AU has signed many research collaborations (National/International) that are interdisciplinary in nature. AU faculty have brought substantial funding through interdisciplinary projects.

Andhra University fraternity is making all efforts to build world class state of the art infrastructure for research and training. Several research projects were completed during the year and sizable funding is available for projects that are ongoing. Besides the

research projects, many departments are identified by the University Grants Commission as centers for special assistance and centers of advanced study with substantial research funding. AU is also receiving funding under DST, FIST and PURSE programs. With DST-PURSE support, a central facility named Advanced analytical laboratory has been created that caters to the needs of researchers working in materials sciences, nanotechnology, physics, pharmacy and other allied fields. This is also augmented by NMR Research center in the Department of Physics. Many of the faculty members received national and international standards and some are serving National and international academic and research bodies arid technical committees

The University has the unique distinction of being the seat for many research Centres and at present the University has 15 Research Centers to carry out advanced research in multi-disciplinary areas with specific focus to address issues pertinent to the needs of the contemporary society such as: (1) Agro Economic Research Center (2) Dr. Durgabhai Deshmukh Centre for Women studies (3) Delta Studies Institute (4) Population Research Centre (5) Centre for Studies on Bay of Bengal (6) Centre for Gandhian Studies (7) Centre for study of Social Exclusion and Inclusive Policy(CSSEIP) (8) Centre for Environment, Sustainable development and climate change(CESCC) (9) The Japanese information and study centre (10) NMR Research Centre (11) Prof.K.Satchidananda Murthy Centre for Religion studies (12) Centre for Nano-Technology (13) Centre for Defense studies (14) Centre for Cyber security and Data Analytics (15) Dr.B.R.Ambedkar Study centre.

The integration of interdisciplinary subjects under CBCS necessitates handling of challenges of allocation of time, classrooms and laboratories which would be addressed in the gradual implementation of NEP 2020.

17.Academic bank of credits (ABC):

Andhra University is eligible to enroll for Academic Bank of Credit(ABC) introduced by Higher Education. UGC has issued Regulations, 2021 for Establishment and Operation of Academic Banks of Credits (ABC) in Higher Education dated 28th July 2021 has accorded for Adoption of Academic Bank of Credit from the academic year 2021-22.Andhra Univereisty has registered itself under NAD and in ABC called as 'AU: Academic Bank of Credits (AU-ABC)'. Accordingly, AU shall amend the ordinances relating to, inter alia, Course registration, course requirements, acceptance for

interdisciplinary and multidisciplinary courses, credits to be offered to such courses, credit transfers and acceptance from other approved Higher Education Institutions, nature of grades to be awarded etc. AU-ABC shall provide facility to students to choose their learning path to attain a Degree or Diploma or Post-Graduate Diploma or academic qualification, working on the principle of multiple entry/exit as well as any-time, any-where, and any-level learning. ABC would enable students to integrate study from multiple disciplines of higher learning, leading to the desired learning outcomes including enhanced creativity, innovation, higher-order thinking and critical analysis. Adoption of ABC provides significant autonomy to students to choose from a basket of courses for an academic programme of study, flexibility in curriculum, novel and engaging course options across several higher education disciplines and or institutions. For effective implementation of AU-ABC, each Faculty/College/Institutes Centers/Cells shall be required to prepare a programmewise dynamic and flexible list of courses offered by other faculties to complete the credit requirements for the award of respective degree. The AU-ABC shall provide student counselling and guidance to students desirous of opening an Academic Bank Account concerning the details of utilization of the services of ABC in terms of Credit Definition, Accumulation, Transfer and Redemption as well as in respect of the Opening, Closure and Validation of Academic Bank Accounts of Students with the support and feedback of the IQAC.

18.Skill development:

Andhra University in association with Andhra Pradesh State Skill Development Corporation(APSSDC) and SIEMENS Centre Of Excellence is established to bridge gap between Industry and academic by providing skilled engineers as requested by industry. So, by this training industry needs of spend much time and money on employee to make employee as skilled and to use. They can use directly by the industry after our training in Andhra University COE.The project has been launched on 7th March, 2018and it is made fully operational. Almost 6900 students have been trained till date.

Challenges faced before deployment/ implementation

- *Locating the site for the premises in an easily approachable place.*
- *Provision/allotment of construction work as per the norms laid by the Government.*
- *Preserving the sophisticated and sensitive equipment from the environmental conditions*

-

Process followed by deployment / implementation

  - maintaining the sensitive/ sophisticated equipment like computers,

     controllers from the construction disturbances

- testing & commission of light weight and heavy machinery

- Interfacing the softcore with the machinery

- **Innovative aspects of the project/activity**

 In addition to training the following few innovative projects were implemented by students

-     Conveyors Belt System

- Car Washing
- Car ASRS System in Automotive
- Lift
- Length x breadth x height measuring Automated system.

Solutions Implemented and Governance practices involved

-     - Equipment provided by APSSDC in association with Siemens

-                                - One all monitoring and administrating by Andhra University

                             - Planning, conduction of programs by APSSDC.

                             - Teaching, executing, evaluating by the Design Tech.

                             - Certification by AU-APSSDC & SIEMENS
- Coverage of targeted population

- UG/ PG & Research Scholars.

    - faculty of Engineering Colleges in the catchment area.

- Visakhapatnam, Vizianagaram & Srikakulam Districts.

19.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

Incredible India has a long tradition, philosophical, and cultural history from thousands of years ago. Across the world, millions of people believed in and practiced Indian culture, especially in the arts, literature, yoga and meditation, philosophy, music, and textiles. The identity and belongingness of a country and an individual are mainly dependent on maintaining and preserving culture and languages. We need to promote this crucial aspect in primary and secondary education. Scholarships will be offered for people of all ages to study Indian languages, arts, and culture with local masters and/or inside the higher education system. Promoting Indian languages is only possible if they are utilized consistently for teaching and learning. To ensure thriving poetry, novels, nonfiction books, textbooks, journalism, and other works in all Indian languages, incentives such as prizes for great poetry and prose in Indian languages across categories were developed. Qualification criteria for employment opportunities will include proficiency in Indian languages.

Unfortunately, Indian languages have not received the attention and care they deserve, with the country losing over 220 languages in only the last 50 years. 197 Indian languages have been designated as "endangered" by UNESCO. Several unscripted languages are extremely critically endangered. Languages must have a continual stream of high-quality learning and print materials to remain relevant and dynamic, such as textbooks, workbooks, movies, plays, poems, novels, magazines, and so on. Languages must also have consistent, widely disseminated official revisions to their vocabulary and dictionaries. However, India has been relatively slow in generating such learning and publishing materials, as well as dictionaries, to help preserve its languages and keep them lively and current. When universities specializing in languages become multidisciplinary to achieve the same goal, they offer B.Ed. Dual degrees in education and a language in order to train great language teachers in that language. Efforts will be made to preserve and promote all Indian languages, including classical, tribal, and endangered languages. Technology, public participation, and digital repositories will be critical in these endeavors.

Andhra University reflects the core values of the knowledge system

(teaching in Indian language and culture, using online courses): the erstwhile State of Baroda, with an intertwining of tradition and modernity in its pursuit of excellence. The culture of excellence begins with recognition and respect for excellence. AU's vision and mission centre around innovation, entrepreneurship, and skill development by integrating Indian Ancient Science and Ethos, reflective of its synergy with AU's initiatives and Action Plan vis-à-vis objectives of the implementation of NEP2020. AU has launched a variety of innovative academic programs and certificate courses; including Indian Classical Music, Dance, Dramatics, Painting, Sculpture, Applied/Graphic/Visual Arts, Museology, Archaeology, and Ancient History, Linguistics, Design,Photography to cater to the needs of society, industry, and government.

It caters to students' needs for languages like Linguistics-Sanskrit. Hindi,English, Japanese, Spanish,French, and German. AU encourages students and teachers to actively engage in academic programs, activities, and events related to constitutional obligations: values, rights, duties, and responsibilities of citizens.

AU continually encourages the value of cultural excellence in all spheres of university life. Recently, Prof. Prasannasree, Department of English received the prestigious Nari-Puraskar from the Hon'ble President of India for her continuous efforts for development of tribal languages and coding. She has received many National and international awards for her work. The departmetn of Foreign languages conducts certificate courses in Japanese, Spanish, German and French taking care of the cultural aspects. The Departments of Archaeology, Geology, History, Museology, and Painting conduct special programs to raise awareness regarding the preservation of heritage culture and to introduce the students to the heritage legacy. Many international students have taken admission in several courses in Andhra University and to maintain harmony cultural programs by these international students are conducted. Dean International affairs and Dean student affairs conduct New year celebrations, ethnic days etc to promote harmony and awareness about diffrent cultures of different countries.

20.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

Andhra University focuses on student centric education in the unique nature of Outcome Based Education (OBE) approach in learning assessment-teaching and principles of OBE derived out of the Competency Based Curriculum with revised Blooms taxonomy concepts.

Each course and program outcomes for the concern programme syllabus of department are proposed by the concern faculty and then it is placed Board of Studies (BoS) consist of teachers, subject experts, industry practitioners and professionals and academic council consist of Vice - chancellors, philanthropists, subject experts, industry practitioners and professionals for approval. The course and program outcomes are proposed by thinking that students to work more practical oriented rather than theoretical and can be eligible and competent not only at local but also at a global level. The Andhra university has adopted several feedback mechanisms and practices to communicate programs and course learning outcomes to all stakeholders and also collecting their feedback on the departmental program objectives should be reflected through program and course learning outcomes and also success in achieving its vision and mission statement of department and University.

The program outcomes, program specific outcomes, course and learning outcomes are published on the web site, brochure, program leaflets, Syllabus books, Lab manuals, departmental notice board, course files, college library, department library etc., and these are further disseminated during induction program in the beginning of academic year and also OBE workshops are conducted for delivery of these concepts. The concern subject handling faculty members explain their students about the course objectives and outcomes of that particular course and clarify the students regarding the relationship between course outcomes and learning outcomes and programme specific outcomes and program outcomes and these have been defined on the basis of Graduate Attributes (GAs) prescribed by concerned apex bodies of higher education such as UGC, AICTE, MoE etc.

21.Distance education/online education:

School of Distance Education, an organ of Andhra University, established in 1972, has been one of the pioneering institutions in the field of Higher Education. It has been striving to extend the reach of higher education to different sections of the society located in divergent geographical areas, particularly in the State of Andhra Pradesh.

As a compensation for missing on campus instruction, the learners admitted into these courses receive Self Learning Materials (SLM) to supplement the text books and other suggested references and guidance through personal contact program structured by a peer faculty within and outside the university.

In 1972 B.A., and B.Com., Degree courses with some select specializations were offered with the approval of the U.G.C. The School of Distance Education was given ex-post facto recognition by the Distance Education Council, New Delhi for all the courses that are being offered by the School of Distance Education w.e.f. 1995 basing on the recommendations of a committee comprising of members from AICTE, UGC and DEC. By way of implementation and adoption of several procedures and by the introduction of modern equipment to strengthen the student support services, the School has achieved remarkable progress and reached the take off stage during the academic year 1982-83.

Students of this School study the same syllabi and are governed by the same regulations as that of the regular students of Andhra University. The Degree awarded is also the same. University developed a user friendly Learner Management System (LMS), through which learners can access their profile, internal assignments and examination information, can interact with faculty and coordinators using chat box, etc. Learners can also access the digital self learning materials through LMS. The School successfully organized Phone-in-Live program by GyanVani an FM Radio station, to clarify the doubts of the students both academic as well as administrative on 2nd and 4th Friday's of every month. It can be tuned on 106.4 Mhz under FM. Online payment system for all activities such as, admissions, examinations, etc., by the learners has been introduced by School of Distance Education during the year 2020-21.

Admissions will be done twice in a year ie., Academic Year (AY) batch (July to June of next year) and Calendar Year (CY) batch (January to December) for all programs. Entry to exit is completely atomized from the academic year 2022-23 and through the Learner Portal, they can get complete information through regular updates in the form of messages apart from the information sent through whatsApp groups and individual mobile numbers. University will reach the learners by placing the complete information on its web page and informed all the learners to visit the web page regularly.

To fulfill the goal of reach the unreached, a special program is designed for prisoners to continue their studies and can settle in respectable life when comes out of the jail. Personal Contact Programs and exams will be conducted in the Visakhapatnam Jail premises along with the regular ODL learners.

CURRICULAR ASPECTS

1.1 - Curriculum Design and Development

1.1.1 - Curricula developed and implemented have relevance to the local, national, regional and global developmental needs which is reflected in Programme outcomes (POs), Programme Specific Outcomes(PSOs) and Course Outcomes(COs) of the Programmes offered by the University

Andhra University is one of the few state universities to implement NEP2020 and introduce new courses as per the relevance to the local, national and regional needs. Revision of the curriculum takes place within a stipulated period. While developing the programs, the local demands of the region are taken care and the local stakeholders become a part of the developmental committee. By adopting the Choice based Credit system and Outcome Based Education, all the programs possess a well-defined Program Objectives, Program Specific Objectives, Course Outcomes, Specific learning outcomes. Every academic department has Board of studies constituted by the senior teachers of the department, subject experts from other academic institutions, experts from industry, alumni and important persons of the society. There are programs relevant to the local needs being offered by the department of sociology, telugu, music & dance. Many engineering courses like Artificial Intelligence, Information security are introduced which are of National and Global importance. The University is offering a wide range of programs for the personnel in Defence departments for their career advancement. The implementation of IPR centre is motivating the faculty and researchers in transforming their research results into intellectual property rights thereby the commercialization is also an avenue for start-ups. These Chairs are oriented towards the development of academic - research activity in the respective verticals. (https://www.andhrauniversity.edu.in/course-syllabus.html)

1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

The curriculum of Andhra university is designed to meet the current National and global standards both technically and crosscutting issues by integrating all the aspects of societal obligation, professional ethics, gender & human equality and values. The faculty are responsible for good governance at the university level with the crosscutting concepts emerging globally and the NSS/NCC wings of Andhra university is always on the forefront to deal key issues of ethics, gender equality, human values and sustainable environmental credits. Many experts from Government and non-government organizations are being invited to share their knowledge with the students frequently.

The university has Durgabhai Deshmukh Centre for Women studies to educate the peers of the university and the region of the state in the dimension of gender equality. A very active Family counselling centre provides free counselling to the needy. The well-known 'Disha' app –has been established for the women employees and girl student's security.

The university has its concern towards the sustainable environmental reforms and various departments of the University contributes to nation to gain green credits. The courses of the UG and PG programs consist the Environment Science as an important ingredient. A research centre "CENTER FOR ENVIRONMENT, SUSTAINABLE DEVELOPMENT AND CLIMATE CHANGE (CESCC)" is started with an aim to Support the government in its efforts in environmental management, addressing climate change challenges and sustainable development through apposite research.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the studentsand organises special Programmes for advanced learners and slow learners

As Andhra University is one of the oldest university in the state and one of the highly preferred institute, relatively meritorious students take admission into various UG and PG courses. Based on the ranks obtained in the entrance examination and the marks/grade secured in the qualifying examination and through the performance in the class and marks obtained mid exams the advanced learners and slow learners are identified. The Head of the department in association with the faculty concerned identifies the slow learners who require remedial classes after completion of the first midterm examination. Remedial coaching classes are conducted

to students in the respective departments. The remedial/third mid examination is conducted in many departments for slow learners and for those students who could not write their mid exams for any valid resaons as an internal arrangement to give further chance to slow learners for building up their better performance in the terminal examination. Counseling System through mentor mentee system is also active.The faculty members/mentors concerned interact with the advanced learners to identify their competencies and special interest to develop plans for their involvement and participation in various challenging programmes being undertaken by the department. The advanced learners are given an opportunity to interact with experts from industry to make them motivated in taking up advanced projects. The learning and infrastructural facilities are made accessible to the students as like the faculty.

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem-solving methodologies are used for enhancing learning experiences

Student-centric methods, are used in Andhra University for enhancing learning experiences and to achieve programme objectives. Student's suggestions are sought in designing the courses and syllabus through inviting member in BoS Meetings and feedback mechanisms in various departments of Andhra University. Further, community engagement and extension activities like Field

work projects, case studies, survey work, NCC, NSS and exhibitions have been made as a curricular component for students as per NEP 2020 guidelines to develop leadership skills, social responsibility person, Good citizen for nation, volunteerism and employment experience. Most of the departments have students clubs for organizing numerous curricular, co-curricular and extracurricular activities in addition to the extension activities.

Dissertation work assigned to students at Industry in one full semester is mandatory and it will provide a great learning process that is adopted by most of the departments and also by providing good library facilities in form of hard and soft copies for self – learning. Faculty are encouraging and guiding students for participation and publication of papers in national and international student conferences and Journals of Scopus, WoS, SCI, ESCI etc. Free Wi-Fi and easily accessible on any electronic gadget throughout the campus is made available to students to facilitate them to work on their projects, Dissertations for Problem based learning. MOODLE/MOOCs, self-developed- Videos, PPTs/Skype presentations, Google maps, E-Journals/books/e-learning resources in order to enrich their experiential learning experience.

2.3.2 - Teachers use ICT enabled tools including online resources for effective teaching and learning processes during the year

Andhra University has taken Google Work Space License for Education, Teaching and Learning and is made available for all the classes and teachers of the University. Andhra University domain(andhrauniversity.edu.in) ids are created for both students and teachers . Google classroom is used for online learning management system by the faculty. Class wise Student groups are created for ease of monitoring and delivery of online classes. All the internal exams, assignments were conducted online and evaluation was also done within the stipulated time. The semester end exams were conducted and the results were released in less than 40 days of the last examination.

Andhra University has developed its own LMS with the technical support of AU Computer Centre and the students were given access to online courses. Andhra University in coordination with

APSCHE(State Council of Higher Education) has also facilitated the students and staff to enroll for MICROSOFT UPSKILLING Programmes for free. These programmes are as a apart of value added and skill enhancement programmes. Andhra University has started 12 Online MOOC courses for free. Several faculty of AU have conducted National and International Conferences, ATAL workshops during the year as part of continuous learning.

2.5.3 - IT integration and reforms in the examination procedures and processes (continuous internal assessment and end-semester assessment) have brought in considerable improvement in examination management system of the institution

Andhra University has a computerized examination management system with the following pre examination, examination and post examination processes.The controller of examination notification through online to the concerned colleges/departments with examination dates. Students have to register online for examination by paying a fee through a payment gateway through online. The hall tickets are generated automatically by the computerized system. Students can download their hall tickets through Andhra university web portal. The OMR data is scanned automatically and results are processed by automation. The heads of the departments will enter the mid term examination marks, project work evaluation, practical examination marks and viva voice examination marks through online. The results are approved by concerned authorities of the University; The results are notified and hosted in website of Andhra University.Students are given an opportunity to apply for revaluation.It is made mandatory that all exam results must be published with in 25 days of the last examination. There is an online and offline examination redressal system where dean of examination is responsible in solving the grievances within a specific period of time. The Ph.D. evaluation is done by three external examiners including one from foreign universities. The Plagiarism check for thesis submission is made mandatory. Andhra University is a member in academic bank of credits all the students are encouraged their lockers and store their course credits.

2.6 - Student Performance and Learning Outcomes

2.6.1 - The institution has stated learning outcomes (generic and programme specific)/graduate attributes which are integrated into the assessment process and widely publicized through the website and other documents

Andhra University focuses on student centric education in the unique nature of Outcome Based Education (OBE) approach in learning assessment-teaching and principles of OBE derived out of the Competency Based Curriculum with revised Bloom's taxonomy concepts. They also include the sustainable development in this competitive world. Each course and program outcomes for the concern programme syllabus of department are proposed by the concern faculty and then it is placed Board of Studies (BoS) consist of teachers, subject experts, industry practitioners and professionals and academic council consist of Vice - chancellors, philanthropists, subject experts, industry practitioners and professionals for approval. The course and program outcomes are proposed by thinking that students to work more practical oriented rather than theoretical and can be eligible and competent not only at local but also at a global level. The program outcomes, program specific outcomes, course and learning outcomes are published on the web site, brochure, program leaflets, Syllabus books, Lab manuals, departmental notice board, course files, college library, department library etc., and these are further disseminated during induction program in the beginning of academic year and also OBE workshops are conducted for delivery of these concepts.

File Description	Documents

2.6.2 - Attainment of Programme outcomes, Programme specific outcomes and course outcomes are evaluated by the institution during the year

The University is adopted NEP-2020 framework and guidelines from the Academic year 2020-21 and it has been introduced for all programmes and the graduate attributes are attained.POs attainment is obtained by using direct and indirect method of assessment. Direct method indicates attainment by learning and course outcomes contributing to respective program specific outcomes and program outcomes. Indirect method is the satisfaction and also feed-back from all stakeholders. Every student physical presence and also their performance in internal evaluation (assignments, Mid exams,

Surprise tests, Quizzes, projects, presentations etc.), and their performance in the term-end external exam are noted by using direct method of assessment.

TIn addition to this, PEOs, POs and PSOs are disseminated to all the stakeholders, namely Newly joined Faculty, Parents, Students, Parents, Alumni, Industry, Employers etc. by conducting the surveys and collecting feedbacks. Apart from this, Indirect surveys are carried out about the POs and PSOs attainment. In Indirect Assessment, the survey forms are used to collect responses from all the stakeholders pertaining to POs and PSOs. The strengths and shortcomings of the Teaching and learning process are assessed at the end of each course and the required changes are made in the Teaching -Learning Process and in the course content too.

RESEARCH, INNOVATIONS AND EXTENSION

3.1 - Promotion of Research and Facilities

3.1.1 - The institution Research facilities are frequently updated and there is well defined policy for promotion of research which is uploaded on the institutional website and implemented

The University policy for promotion of research is taken care by three bodies constituted at different levels.

At University level Board of Research Studies (BRS) is formed under the chairmanship of the Vice Chancellor, Principal of Science and Technology shall be the convener. Principals of all Constituent colleges of Andhra University along with faculty Chairpersonsand Dean R&D are associated as members of the Board that includes Rector and Registrar of the University. The University's holistic research needs like Fees structure, Decision on administrative procedures, formulation of guidelines for full time, parttime, extramural and executive Ph.D.

The BRS Guidelines are available in the website

https://www.andhrauniversity.edu.in/phd/BRS_Guidelines_10052017.pdf

College Research committees(CRC) are formed tat college level to monitor the research activities, admissions of research activities, admissions of research scholars, conduct of pre-Ph.D. examinations and promotion of research activity..

Department Reasearch Committee are formed at department level to monitor allocation and processing intake of research scholars to eligible guides, besides coordinating and framing model question papers etc.,

The research facilities are frequently updated from the funds received through programmes like UGC – SAP, FIST, TEQIP, RUSA.. Dean, Research and Development will be coordinating with the faculty and different Govt. Departments in getting the projects Sanctioned.

3.5 - Consultancy

3.5.1 - Institution has a policy on consultancy including revenue sharing between the institution and the individual and encourages its faculty to undertake consultancy

Andhra University has established a special centre Resource Mobilization Cell(RMC) following the guidelines of UGC in the year 1993 for promoting consultancy services. The centre is renamed as Andhra University Development Centre (AUDC) in the year 2001. The centre will act as liasoning agency between industry and the academic departments and faculty members. The University Development centre will take care of promoting the consultancy activity in the campus, by encouraging the faculty members to take up consultancy works. It gives wide publicity to various industries about expertise and infrastructure available in the campus to take up consultancy projects. The centre conducts interactive sessions to promote consultancy activities in the campus.

The activities, objectivesare displayed in the AUDC webpage i.e., https://www.andhrauniversity.edu.in/administration-wing/dc.html

The faculty members who are applying for consultancy works in the industries/organizations are taking approvals from Andhra University development centre. After getting the work order for consultancy from the industry/organizations the associative consultants carry out the work as per the agreement. The disbursement of payment is being done by the development centre in the ratio 2:3 among the university and consultant after deducting the expenditure incurred by the consultant.

INFRASTRUCTURE AND LEARNING RESOURCES

4.1 - Physical Facilities

4.1.1 - The institution has adequate facilities for teaching - learning. viz., classrooms, laboratories, computing equipment, etc.

Andhra University has adequate facilities for all the teaching-learning, research, computing equipment, and research laboratories. For example, the central facilities like the library and cyber lab are noteworthy for expanding or updating academic and research knowledge. Andhra University has a high-band network under a dedicated computer center. Digital classrooms and ICT-enabled features, smart classrooms are adequate in every department and research center. The university has equipped about 15 digital classrooms in Andhra University College of Engineering to benefit the students. It helps the student community to train towards digitalization to compete with other higher learning institutions. During this academic year each department is equipped with Smart screens .Andhra University brings new wings to the infrastructure facility by constructing and maintaining eight new buildings, namely the examination new building, IT block,

incubation center, and a new building for the Department of Civil Engineering in association with Andhra University and NASSCOM Centre of Excellence-IoT & AI . Our Hon'ble Vice-Chancellor inauguratedthe New Boy's Hostel Block under the RUSA initiative, Examination Block II & Computer Centre (RUSA 1.0).

File Description	Documents
Upload relevant supporting document	[View File](#)

4.1.2 - The institution has adequate facilities for cultural activities, yoga, games (indoor, outdoor) and sports. (gymnasium, yoga centre, auditorium, etc.)

Andhra University has an open auditorium facility, the AU Convocation Theatre, and B.R. Ambedkar Hall for conducting several cultural events. Our illustrious departments, music, dance, theatre, and fine arts, continuously conduct several operas, vocals, and exhibitions. The Department of Physical Education has indoor and outdoor game facilities, a gymnasium, and two big playgrounds,including volleyball courts. The AU Yoga Center is internationally recognized and provides services like naturopathy, obesity, and diabetic diet plans. During the pandemic, the yoga center's contribution to the general public is enormous by conducting several awareness programs like meditation and Surya namaskars.

4.1.3 - Availability of general campus facilities and overall ambience

The campus is a secure, safe, eco-friendly, and non-smoking zone under continuous surveillance by CCTV. The overall ambience is excellent, with full greenery: Special care is provided for disabled people by providing rakes, stable platforms, and lifts. Two health care centers are equipped with appropriate equipment for university officers, teachers, supporting staff, and students' health care. The entire admission process is computerized through online counseling. AUCC executes campus-wide networking, I.T. service support, and software development and expands its activities to provide unlimited campus connectivity to every corner of the university. The Development Centre continuously widens its network with industries by offering consultancy and collaborative research. Established links are effectively utilized in supporting student training, project work, campus placement

activities, lectures by experts, and MoUs. I.M.C. provides accountability, salary disbursement, income tax issues, information on C.P.F. & C.P.S., and annual accounts. The engineer maintained a complete survey plan of the campus, buildings, waterworks, and drainage works. UGC-Human Resource Development Center conducts several faculty induction programs, refresher courses, interdisciplinary refresher courses, and short-term courses. Each college has a placement and career guidance cell, N.S.S. and N.C.C., for students to pursue their career goals.

REcently Andhra University has conducted Green audit and Andhra University has obtained SEVEN STAR rating and Green Champion Award by The State Goverment, AP.

4.2 - Library as a Learning Resource

4.2.1 - Library is automated using Integrated Library Management System (ILMS) and has digitisation facility

Dr. V.S. Krishna Library is one of the jewels in the Andhra University crown, having wonderful infrastructure and a peaceful arrangement for book reading. The University Library possesses a rich collection of e-books, e-journals, and physical editions of books and journals. Currently, 5,35,000 books, 62 foreign journals, 120 Indian journals, 8500 e-journals, 35 general magazines, 15 newspapers, and 50,000 back volumes with 880 CD-ROMs are facilitated to teachers and and students. The Engineering Library has 64,407 volumes and 96 computer systems, and the Law College library also has 16,500 volumes associated with the Central Library. The library has a a digitization facility and is automated with an Integrated Library Management System (ILMS) and SOUL software to utilize the library's journals. And special

arrangements are provided for differently and physically challenged people. A separate unit of books in Braille has been developed for visually challenged students. Reprographic facilities are provided. The purpose of National Library Week, held annually by the central library, is to inform faculty members about J-gate, the digitization of doctoral theses, a program to raise awareness of Swayam Portal, Vidwan, Shodh Ganga, and Shodh Sindhu, as well as the National Digital Depositary.

4.3.2 - Institution has an IT policy, makes appropriate budgetary provision and updates its IT facilities including Wi-Fi facility

Andhra University has adopted several administrative reforms. It became a source of inspiration for many State Universities.

The following are a few policies adopted by the University

- Finance Policy
- Maintenance Policy
- Purchase policy
- IT Policy

- Andhra University is having a structured strategic plan to strengthen the computerization and networking of administration. Andhra University is having 2 web portals namely 1. www.andhrauniversity.edu.in and 2. https://services.andhrauniversity.edu.in/ to provide information for all stakeholders of the University. All academic departments and administrative sections are provided with computers with internet facilities. All employees and students are provided with official e-mail ids and all circulars/notices and other information is provided through e-mails and sms.

  The University examinations web portals provide paper – free application system for examinations. This portal provides various services to students and colleges and examination section staff like examination registration through online, Hall tickets generations, attendance sheets and Nominal Rolls preparation. The students can pay the examination fee though both online and Bank challans. The entire admission process is computerized and admissions are carried through on-line councelling. The CAO is provided with Wi-Fi

> facility.Andhra University Campus as a whole has Wi-Fi
> Facility . Andhra University Computer Centre takes care of
> Wi-Fi, Internet connectivity, Biometric.

4.4.2 - There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

Andhra University follows standard and transparent methods to maintain and utilize academic and research facilities for university-level, individual departments and research centers. First and foremost, each department will allocate the budget to maintain the available facilities through contingency. For purchasing the scientific equipment or the academic equipment or related items the department has to go for Central Purchasing committee approval. The head of the department is responsible to maintain the stock register, purchase of bills, auditing the budget. Procuring new equipment and its stock register entry is mandatory and maintained through laboratory in-charges.

5.3.2 - Presence of Student Council and its activities for institutional development and student welfare

Andhra University has a great magnificent structure connecting the national and international students to encourage the student progression, to promote the research aptitude and attitude, career prospects, personality development, soft skills, language and life

skills, active participation in cultural and academic programs in national and international workshops.

Recently, American Youth corner is established in the University to support and help the international and national students through various exchange programs. It promotes the Institutional interests, development of and welfare of the students. Additionally, Andhra University voluntarily organizing expert talks, debates, quizzes, language tandems, sport and cultural activities the student thyself to improve personal and professional development.

GITA is the another best student council created by the College of Engineering, Andhra University to promote the alumni interaction, talks, enterprenurship,career guidance, mentoring, and motivation for the ongoing batch students which will help for their future prospects.

Andhra University is being the best university among the state universities, encouraging the Student Affairs consisting Dean, student members from the NSS, NCC. The main objective of the student affairs is to encourage and promote the conducive environment for academic learning and research, to support the university development, to participate in sports and cultural events at various local, regional, national and international events.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The institution has a clearly stated vision and mission which are reflected in its academic and administrative governance

Andhra University Vision : Create New Frontiers of Knowledge in Quest for Development of the Humane and Just Society.

Andhra University is solely committed to impart multifaceted education, Excellency in pedagogy and indefatigable research, provide the qualitative education, to give a bright future by chiseling the talents of the learners and promote holistic proficiency and is aimed at serving humanity socially and intellectually by bridging University and Universal community at

large. Effective leadership is crucial to apprehend the vision by setting values and participative decision-makingprocess of strictly following the mission and accomplishing the institution's objectives accordingly. It is also instrumental in building the work culture, which in turn yields long term fruits. The involvement of the leadership is mandated in the formulation of action plans for all operations and incorporation of the same for fetching desired results. It also plays a pivotal role in interaction with all the stakeholders for drafting of new policies involved in the development of the University.

Mission : 1) To Stimulate the academic for promotion of quality of teaching, learning and research.

2)To undertake quality related research studies, consultancy and training programmes.

3)To foster global competencies among students and to inculcate value system in them.

4)To promote the use of State of the Art Technology and Quest for Excellence.

The Vision and Mission are clearly formulated and are displayed in AU website.

File Description	Documents
Upload relevant supporting document	View File

6.1.2 - The effective leadership is reflected in various institutional practices such as decentralization and participative management

The Andhra University is committed to decentralization and participative management through effective leadership and hierarchical administration setup. The leaders at different levels are identified and posted in executing administrative responsibilities under the most capable, effective and dynamic leadership of the Honr'ble Vice-Chancellor. The implementation of decentralization successfully initiates smooth conduct of academic and non academic activities at various levels in the University.

Decentralization:

The decision levels of the University administration can be categorized as:

1.Academic Decisions which include curriculum restructuring, appointment of examiners/referees, revision of scheme of examination, policy for research, etc.

The administration has nominated Board of Studies Chairman for all the departments and Faculty Chairman at the constituent college level. Several Deans are appointed to take care of Academics, Examinations, Research and Development, training & placement etc.

2.Administrative Decisions which include recruitment, training and promotions of teaching/ non-teaching :

The administration administers its important decisions by putting forth all its ideas and policies before Executive Council(EC) of Andhra University. The EC consists of members representing successful professionals representing all stakeholders.

3. Policy Decisions: Are taken in consulatation with Executive Council and Heads of departments and Deans for making important policy decisions.

File Description	Documents

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic plan is effectively deployed

Andhra University has developed a strategic plan to become reputed World Class University by 2027. It is successfully deployed by focusing on the parameters given in strategic plan. The following are the initiatives taken and achievements in those parameters:

The University has taken several initiatives for collaborative research with foreign Universities/Institutions to strengthen teaching and researchby signinig MOU's with foreign universities. The university has got dual degree programs, student exchange programs and several national research projects . The Andhra University alumni association chapters were opened in other countries. As a result of it more than 10% foreign students are studying in the campus.

- Due to nomination of honorary, visiting, adjunct and guest faculty the student faculty ratio is significantly reduced.
- Utilizing the funds under various programs such as RUSA,

TEQIP, DST-PURSE, FIST, UGC, CAS, SAP, the infrastructure facilities for advanced equipment in Laboratories in the academic department and research centers are significantly improved, new laboratories are established with CSR funds and collaboration with corporates.

- A total of 793 scopus indexed research papers, 100 Book chapters, 42 patentswere published during 2021-2022.
- A total of 447 Ph.Ds were produced during the year.
- 33 functional MoUs were signed.

The University has already achieved the A+ grade and accredited and ranked as one of the top multidisciplinary state run Universities.

6.4 - Financial Management and Resource Mobilization

6.4.1 - Institutional strategies for mobilisation of funds and the optimal utilisation of resources

Steps for mobilisation of Financial Resources :

   1. Research & Development cell:

AU has a very strong Research & Development Cell(R&D) headed by a faculty who has a strong research background as DEAN. The University faculty are very knowledgeable and experienced and are involved in research activities like implementing many research projects sponsored by many Govt. Agencies like AICTE, UGC, DRDO, NSTL, MeiTy, DST-SERB and many more.

2) AUDC:

Andhra University has created the Resource Mobilization Cell (RMC) at the instance of the University Grants Commission in the year 1993 and later it was renamed as A.U Development Centre (AUDC) in the year 2001. the main activities of AUDC are Industrial and scientific Consultancy, Strengthening Links with Industry and scientific organisations, Inducting adjunct faculty from industry, research organizations and academia, Preparation of Proposals for University Development through CSR Funding. Many of the faculty are involved in industrial consultancy and have done many consultancy projects at regional, National and International level too.

3) AU generates funds through Self finance courses, Integarted Courses, Ph.D and Executive Ph.D, Executive Development Programmes, Certificate Programmes, Foreign students admissions etc.

Financial Audits:

Andhra University conducts internal and external financial audits regularly. For this, a systematic procedure is adopted.

   • Internal audit and External ISO audits
   • External agency (Statutory audit)
   • External Agency (Accountant General, AP)

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes by constantly reviewing the teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals

The IQAC Cell of Andhra University has taken numerous steps and initiatives in improving quality of teaching, learning, research and governance at the university. As a part of regular activities,the following activities are conducted annually and semester wise by the office of IQAC.

1. Academic Audit(AA):

The IQAC committee of the University periodically reviews academic activity, infrastructure facilities and governance by way of academic and administrative audit for quality enhancement. The evaluation process and follow up on feedback is also taken up on a regular basis. The Academic Audit (AA) committee is constituted as per the guidelines of UGC.

2. Online Student Feedback System:As per the suggestions of external auditors of ISO and Keeping in view the amount of hardship involved wrt to paper, manual entry of all the feedbacks, IQAC with the help of AU Computer Centre has devised an Online portal for Student feedback system. This online student feedback system has proved to be effective.

3.Administrative Audits: The main role of IQAC is to conduct ISO 9001:2015 internal and external audits regularly for all the 65 departments, all Offices including Rector, Registrar and Vice Chancellors office. The NCR's are noted down and if any major discrepancies the issues are taken up by the office of IQAC. Every year ISO external audit by TUV SUD is conducted and the validity of the ISO certificate is upto 2024.

6.5.3 - Incremental improvements made for the preceding during the year with regard to quality (in case of first cycle) Post accreditation quality initiatives(second and subsequent cycles)

```
1.Innovation and Incubation Centre:

The administration of AU has been instrumental in establishing AU
Innovation and Incubaton -COE for the promotion of innovation,
incubation of ideas, creating startups and for facilitating
technology transfer.

2. DPIIT -AU IPRcell: AU administration has established DPIIT-IPR
cell .The IPR Cell has been active and in a short span has been
recognized as AP State Nodal Office for IPR.

3.Quality Enhancement initiatives in Administration:

The University has made substantial incremental improvements in
its administrative processes.

Administrative Staff are given periodic training for quality
enhancement of work by providing ICT based orientations and
aretrained on enhancing speed and ease of real-time information
procurement, w.r.t. E-Tendering, e-office with the help of AU
Computer Centre.

4. Introduction of new courses: A new course in engineering B.tech
(IT) was introduced. Many value added courses were introduced
under Yoga, Commerce, Pharma, Science & Engineering through MOOCS
and by conducting 2 week programmes for the benefit if the
students and staff.

IPR has been introduced as a new course at UG and PG level.AU is
offering 12 online courses for free,School of Distance education
of AU has started two Online courses as per the directions of UGC.

5.AVANTI Sea Foods has established a research centre in AU which
will hlp fisherman community.

7.2 - Best Practices

7.2.1 - Describe one best practice successfully implemented by the Institution as per NAAC format provided in the Manual

Introduction of IPR as a mandatory credit course in UG and PG level in the university

The objective is to create quality human resources to meet the

global demand in the contemporary and emerging knowledge and innovation era

In the knowledge and innovation led economy, it is highly essential for educational institutions to nurture skills in Intellectual properties among the students and faculties. To do that, it is required to raise IP awareness among the student communities. Introducing a mandatory credit course on IPR is expected to address this issue.

The Mandatory IPR credit course introduced in the university covers all the different forms of IP: patent, copyright, trademark, design, geographical indication, plant variety protection and farmers' rights, semiconductor IC layout protection, and also technology transfer and biodiversity. In addition to that, there are also practical sessions for learning patent search, trademark search, design search etc.

Completed the teaching and evaluation of this mandatory credit course for the first time in the Academic year 2021-22 for about 2000 students from diverse academic streams in the university (including MSc, BTech, MTech, M Pharmacy etc.)F

7.3 - Institutional Distinctiveness

7.3.1 - Highlight the performance of the institution in an area distinct to its priority and thrust (within a maximum of 200 words)

Free Legal Aid Clinic:As per the Article 39 of the Indian Constitution, the Free Legal Aid clinic is established in Dr. B. R. Ambedkar Law College of the university to provideprovide free legal aid, by suitable legislation or schemes or in any other way, to ensure that opportunities for securing justice are not denied to any citizen by reason of economic or other disabilities.It is observed that not only the people below poverty but even the people above poverty line are in dire need of legal aid, and they are hesitant to consult a legal professional (Advocate) because of the exorbitant fees being charged by them or shy to discuss their problems with others like in case of matrimonial disputes.

Teaching staff of Dr.B.R. Ambedkar College of Law are faculty advisors who are specialized in different aspects of law (Criminal, Civil, IPR, Consumer Rights, Baking, Insurance, Family law, Evidence, Constitution law; Administrative, Labour, etc.).

Major areas

1. Matrimonial disputes- Restitution of Conjugal Rights, Maintenance- Domestic Violence, Divorce and others
2. Land title disputes, Illegal possession, Boundary disputes
3. Partition disputes among family members
4. Money recovery disputes, Promissory note, dishonour of cheque
5. Consumer grievances, Delivery of wrong products, poor quality of service
6. Administrative service matter disputes etc.

7.3.2 - Plan of action for the next academic year

Reaching the Centenary celebrations, the University is extensively planning to entend its wings and arms to provide all the academic needs of the society by safegaurding the right to education of the citizen of the nation.

it is planning to enhance the capacity of each of the individual stakeholder of the university to give his maximum deliverables to the society. as part of the academic programs, the unique programs like ug+pg program in the school of international business, engineering college are being introduced. it is also under planning to encourage students of all programs to orient themselves towards starting their own technical and business entities as per the directives of the Government of Andhra Pradesh. Domain experts are being involved in promoting the Industry Instittion interaction. specialised professionals are being engaged to upgrade the skills of the students to make them to compete with their counnterparts in MHRD institutions.

also, the facultly are being motivated to grab all types of funding opportunities available with national level funding agencies and research organisations along with renouned business houses by exhibiting their research competencies.

establishment of various skill development centres is another biggest plan for the next year in addition to adopting the indeginization of defence equipment to decrease the FE component.
