## **Capacity Building Programme on Integration of Indian Knowledge System (IKS) in Curriculum**

**09-02-2026 to 14-02-2026 (Residence Mode)**

### **THE PROGRAMME**

The programme is designed to create awareness and understanding among the faculty and research scholars about the Indian Knowledge System and its importance in contemporary education. It aims to help faculty members integrate India's rich intellectual, cultural, scientific, and philosophical traditions into the contemporary curriculum in a meaningful way, in line with the vision of the National Education Policy (NEP) 2020. The programme endeavours to promote value-based, holistic, and contextually grounded learning experiences for the faculty from ancient India to advancing India.

### **OBJECTIVES**

1. To create awareness about the Indian Knowledge System and its relevance in education.
2. To learn the integration of Indian Knowledge System into the curriculum design.

### **LEARNING OUTCOMES**

1. Understanding the significance of the Indian Knowledge System in contemporary teaching and learning.
2. Incorporating the intellectual traditions and practices of IKS in Academic Programmes and Pedagogical Practices.
