Intake capacity: 30

Duration of the program: 4 semesters (2 Years)

Total number of working days for the academic year 2014-15 as per the University academic calendar
----- 188 days

For MFA I, II, III and IV year Examinations and evaluation 20 days (10 days per semester)

Number of working days remaining 188 – 20 =168 days

Per day 8 Periods (50 minutes)

168 x 8 = 1344 working hours

Per Semester 672 working hours

1st semester

Studio practice 80% from total working hours are 537 hours

Theory 20% from total working hours 135 hours

Ethics and Moral values (2 periods per week) X 18 weeks
f 36 hours [would be deducted
f rom 20% of theory working hours]

Sports and NSS
f 40 hours hours [would be deducted
f rom 80% of practical working hours]

2nd semester

Studio practice 80% from total working hours are	537 hours
Theory 20% from total working hours	135 hours
Sports and NSS f	40 hours hours [would be deducted f rom 80% of practical working hours]

3rd semester

For Studio practice 80% from total working hours are	537 hours
Foe theory 20% from total working hours	135 hours

4th semester

For Studio practice 80% from total working hours are	537 hours
Foe theory 20% from total working hours	135 hours

Syllabus:

The course consisting of individual studio work in students chosen area of concentration, Regular critiques and discussion will be scheduled (both group discussion & Individual criticism) by the concerned teachers.

The major component of this course consists of directed individual studio work in the students chosen area of concentration. The students are required to carry out independent studio work under the supervision of concerned teachers.

Regular critiques and discussions and one group critique in every second semester will be arranged.

At the conclusion of the penultimate (4th) semester each student is required to mount an exhibition of selected works from all 4 semesters in the degree show (final display). The MFA candidate will defend his/her works in front of the GRAND jury consisting of at least two external examiners and two teachers of the department.

MFA Graphic Arts (Printmaking)

Program of Study:

Post graduation program in printmaking is a research oriented one. Students have to explore their ideas, concepts, themes by visualizing and working of a process to realize the image. Students are encouraged to explore and combine the expressive possibilities of basic printmaking techniques such as woodcut, dry point, Etching, Serigraphy (screen-printing) etc. in their own work. These studio practices are complimented by a formal introduction to the history and aesthetics of printmaking medium.
