Admission

The admission policy and procedure shall be decided from time to time by the APSHCE of the University based on the guidelines issued by the UGC/Ministry of Human Resource Development (MHRD), Government of India.

Eligibility for Admission

The Candidate should have qualified in 10 + 2/Equivalent examination and should have obtained at least 40%. Marks.

Student Discipline

Every student is required to observe utmost discipline and decorum both inside and outside the campus and not to indulge in any activity which may affect adversely the prestige/reputation of the Institute.

Any act of indiscipline of a student reported to the Principal (Student affairs) and Head of the Departments will be referred to a Discipline Committee constituted for the purpose. The Committee will enquire into the charges and decide on a suitable punishment if the charges are substantiated.

Ragging in any form is a criminal and non-bail able offence in our country. The current State and Central legislations provide stringent punishments including imprisonment. Once the involvement of a student is established in ragging, offending fellow students/staff, harassment of any nature to the fellow students/staff etc., the student(s) will be liable to be dismissed from the Institute, as per the laid down procedures of the IJGC/Govt Institute. Every senior student of the Institute, along with their parent, shall give an undertaking every year in this regard and the same should be submitted at the time of Registration.
Attendance

The teacher handling a course must finalize, the attendance 3 calendar days before the last instructional day of the course.

A student has to obtain minimum 75% cumulative attendance for all the courses put together in a semester.

The remaining 25% allowance in attendance is given to account for activities under NCC / NSS / Cultural / Sports / Minor Medical conditions etc.

Irrespective of the reason for the shortfall of the attendance, a student with a cumulative attendance of less than 75%, will not be permitted to appear for the end semester examination for all the courses in that semester and will be categorized as "DE", meaning Detained due to shortage of attendance. The students with "DE" category cannot proceed to the subsequent semester.

Such students shall register for all the courses of the semester in which DE has occurred, in the subsequent year by paying the prescribed fee.

Additional condonation may be considered in rare and genuine cases which includes, approved leave for attending select NCC / Sports Camps, cases requiring prolonged medical treatment and critical illness involving hospitalization.

For medical cases, submission of complete medical history and records with prior information from the parent / guardian to Dean (Student Affairs) is mandatory. The assessment of such cases will be done by the attendance sub — committee on the merit of the case and put up recommendations to the Principal. Such condonation is permitted only twice for a student in the entire duration of the programme.

The Principal, based on the recommendation of the attendance sub - committee may then give condonation of attendance, only if the Principal deems it fit and deserving, but in any case the condonation cannot exceed 10%
Examination Assessment Procedure

Every course shall have two components of assessment namely,

Continuous Internal Assessment "CIA": This assessment will be carried out throughout the semester as per the Academic Schedule with an internal examination of 25 marks.

**Report Writing Format**

Here are the main sections of the standard report writing format:

- **Title Section** — This includes the name of the author(s) and the date of report preparation.

- **Summary** There needs to be a summary of the major points, conclusions, and recommendations. It needs to be short as it is a general overview of the report. Some people will read the summary and only skim the report, so make sure you include all the relevant information. It would be best to write this last so you will include everything, even the points that might be added at the last minute.

- **Introduction** — The first page of the report needs to have an introduction. You will explain the problem and show the reader why the report is being made. You need to give a definition of terms if you did not include these in the title section, and explain how the details of the report are arranged.

- **Body** This is the main section of the report. There needs to be several sections, with each having a subtitle. Information is usually arranged in order of importance with the most important information coming first.

- **Conclusion** — This is where everything comes together. Keep this section free of jargon as most people will read the Summary and Conclusion.

Model Format for Question Paper Recommendations to the paper setters

1. The paper setter may him/herself prepare a blueprint assigning appropriate weightage to all learning outcomes as per Blooms Taxonomy and specified in the syllabus (if no design is prescribed).

2. All units may be fairly covered and even the learning outcomes may be fairly distributed.

3. Action verbs specific to the learning outcome to be tested may be used.

4. There may be no ambiguity in the question. The wording may be carefully framed.

5. Weightage to the difficulty level may also be determined in such a way that neither the paper is too difficult nor too easy. Even an average learner shall be able to pass the examination with minimum marks.

Specialization Hotel internship (sixth Semester)

Sixth Semester:
Every student shall undertake specialization internship in an organization / company for a period of Twenty to Twenty four weeks in the sixth semester. The summer internship is compulsory and an integral part of the BHM & CT Program The Placement Office will assist the students in finding suitable summer assignments I projects. The summer placement aims at achieving the following objectives: (a) Application of knowledge and techniques learnt in the first year to real life business problems and make them better prepared to enrich their learning in the second year. (b) Appreciating the inter-linkage among different functions and developing a realistic managerial perspective about organizations in their totality. The students should take the internship seriously.

They are expected to diligently in the job so that the internship converts naturally into a pre-placement offer-A faculty member will work closely with the company to define the scope of the internship and ensure proper understanding of the terms of engagement by all concerned. The student should be ready to not only learn from the business practices in the company but also present a professional front i.e. being punctual at the workplace well behaved and appropriately dressed. At the end of the internship, the student should submit a brief report explaining briefly the key learning points and the insights gained. They would also be expected to present and discuss their learning points with their fellow students. A 'certificate of completion' from the host organization is essential. The Industry internship shall be credited as approved in the curricula.

INTERNSHIP

I Exposure to Industrial Training is an integral part of the 3rd Semester Curriculum. The 16 weeks industrial training would be divided into four weeks each in the four key areas of Food Production, Food & Beverage Service, Accommodation Operations & Front Office Operations.

2) Attendance will be calculated for 3rd semester based on Industrial Training. Student Trainee will require an input or 96 working days i.e. (16 weeks x 6 days = 96 days). A student can avail leave to a maximum of 15% (14 days) only with prior permission of the hotel authorities. Similarly, the institute Principal can condone an additional (10 days) on production of a medical certificate.

3) For award of marks 20% marks of IT would be on the basis of feedback from the industry in a prescribed Performance Appraisal Form (PAF). It will be the student’s responsibility to get this feedback/assessment form completed from all the four departments of the hotel for submission to the institute at the end of Industrial Training. For the remaining 80% marks, students would be assessed on the basis of seminar/presentation before a select panel. The presentation would be limited to only one key area of the student’s interest. A hard copy of the report will also have to be submitted to the panel.

4) Responsibilities of institute, hotel and the student/trainee with aims & objectives have been prescribed for adherence.

5) Once the student has been selected / deputed for Industrial Training by the institute he/she shall not be permitted to undergo IT elsewhere. In case students make direct arrangements with the hotel for Industrial Training, these will necessarily have to be approved by the institute. Students selected through campus interviews will not seek Industrial Training on their own.

INDUSTRY INTERNSHIP

Objective of industrial training is to provide to students the feel of the actual working environment and to gain practical knowledge and skills, which in turn will motivate, develop and build their confidence. Industrial training is also expected to provide the students the basis to identify their key operational area or interest.

1. RESPONSIBILITIES OF THE TRAINEE

1. Should be punctual.
2. Should maintain the training logbook up-to-date.
3. Should be attentive and careful while doing work.
4. Should be keen to learn and maintain high standards and quality of work.
5. Should interact positively with the hotel staff.
6. Should be honest and loyal to the hotel and towards training.
7. Should get their appraisals signed regularly from the HOD's or training manager.
8. Gain maximum from the exposure given, to get maximum practical knowledge and skills.
9. Should attend the training review sessions / classes regularly.
10. Should be prepared for the arduous working condition and should face them positively.
I should adhere to the prescribed training schedule.
12 should take the initiaue to do the work as training is the only time where you can ge
13. should, on completion of Industrial Training, handover all the reports, appraisals,
logbook and completion certificate to the institute.

2. RESPONSIBILITIES OF THE INSTITUTE should give proper briefing
to students prior to the industrial training

2. should make the students aware of the industry environment and expectations.
3 should notify the details of training schedule to all the students 4 should
coordinate regularly with the hotel especially with the training manager.
5. should visit the hotel, wherever possible, to check on the trainees.
6. should sort out any problem between the trainees and the hotel.
7. should take proper feedback from the students after the training.
8. should brief the students about the appraisals, attendance, marks, logbook and trainingreport.
9. should ensure that change of hotel is not permitted once the student has been
interviewed, selected and has accepted the offer.
10. should ensure that change of batch is not permitted.
11. should ensure trainees procure training completion certificate from the hotel before
joining institute.

3. RESPONSIBILITIES OF THE HOTEL

First exposure: A young trainee's first industry exposure is likely to be the most influential in
that person's career. If the managers/supervisors are unable or unwilling to develop the skills
young trainees need to perform effectively; the latter will set lower standards than they are
capable of achieving, their self-images will be and they will develop negative attitudes
towards training, industry. and in all probability their own careers in the industry. Since the
chances of building successful careers in the industry will the trainees will leave in hope of
finding other opportunities. If on the other hand, first managers/supervisors help trainees
achieve maximum potential they will build the foundations for a successful career.

Hotels: I. should give proper briefing/orientation/induction prior to commencement
or training.

1. should make a standardized training module for all trainees.
2. should strictly follow the structured training schedule.
3. should ensure cordial working conditions for the trainee.
4. should coordinate with the institute regarding training programme.
5. should be strict with the trainees regarding attendance during training.
6. should check with trainees regarding appraisals, training report, log book etc.
7. should inform the institute about truant trainees.
8. should allow the students to interact with the guest.
9. should specify industrial training’s "Dos and Don'ts" for the trainee.
10. should ensure issue of completion certificate to trainees on the last day of training.

Specialization Hotel internship (sixth Semester)

Sixth Semester:
Every student shall undertake specialization Internship in an organization / company for a period of Twenty to Twenty four weeks in the sixth semester. The summer internship is compulsory and an integral part or the BHM & CT Program. The Placement Office will assist the students in finding suitable summer assignments / projects. The summer placement aims at achieving the following objectives: (a) Application or knowledge and techniques learnt m the first year to real life business problems and make them better prepared to enrich their learning in the second year. (b) Appreciating the inter-linkage among different functions and developing a realistic managerial perspective about organizations m their totality. The students should take the internship seriously.

They are expected to diligently in the job so that the internship converts naturally into a replacement offer. A faculty member will work closely with the company to define the scope of the Internship and ensure proper understanding or the terms of engagement by all concerned. The student should be ready to not only learn from the business practices in the company but also present a professional front i.e. being punctual at the workplace, well behaved and appropriately dressed. At the end of the internship, the student should submit a brief report explaining briefly the key learning points and the insights gained. They would also be expected to present and discuss their learning points with their fellow students. A certificate or completion from the host organization IS essential. The Industry internship shall be credited as approved in the curricula.
